### **INTRODUCTION:**

This item is to request that the City Council review and approve the LWMAD Subcommittee's recommendation to modify the existing program (1) to eliminate the provision that disqualified possible nominees if their accomplishments or contributions were part of their primary source of income, and (2) to add an annual "theme" or focus to the LWMAD program, with this year's theme requiring that nominees be associated with a service organization or a nonprofit organization.

## **BACKGROUND:**

The Locals Who Make a Difference Recognition Program was created to acknowledge and thank members of the Sebastopol community for their contributions in helping to make Sebastopol a better place to live. The proposal to modify the existing program eligibility requirement is (1) to eliminate the wording "*The accomplishment or contribution to the Sebastopol community for which the nominee is being recognized must not be their primary source of income*" and (2) to approve the theme for this coming calendar year 2022 to focus on those in our community who are associated with a service organization or a nonprofit organization, and to add this theme as a requirement for calendar year 2022.

As the program has evolved since 2018 it has become apparent that many deserving nominees have been disqualified due to their financial agreement with the organization that they are affiliated with. Often, they are far exceeding what would be considered their normal duties as expected by their compensation and are extending their contributions outside of their contractual agreements.

As the program has evolved, it has also become apparent that adding a theme or focus creates the opportunity to narrow the eligible group and increase recognition for a specific subgroup that has increased the quality of life here in Sebastopol. Service organizations and nonprofit organizations have been particularly important as a backbone to our town during the Covid pandemic and are deserving of particular recognition.

The purpose of this program remains the same. Honorees are announced and recognized with banners lining Sebastopol's Main Street and Downtown Plaza, a proclamation by the City Council, and on the City website. There are three honorees per yearly cycle, with each honoree being featured for approximately four months.

## **DISCUSSION:**

The LWMAD Subcommittee met on October13, 2021 to discuss potential modifications to the LWMAD program. Items considered for update included the possibility of future themes for the program, modifications to the eligibility requirements, and future calendarizing to better align to the council meeting dates and other challenges that may arrive due to holiday scheduling interruptions.

The committee agreed that an annual theme would be a beneficial change to the program, and that while there were many themes that could be considered, focusing on service organizations and nonprofit organizations in calendar year 2022 would be a good choice.

The realistic goal of presenting 3 honorees per a yearly cycle rather than attempting to set a hard calendar was in line with the spirt and intent of the program.
