Dear Mayor Patricia Slater, Sebastopol
City ~~and~~ Council members, & staff,

I support an opt in pol-
icy. To pay an opt out ^{is} punitive
and discriminatory. I am ~~extremely~~
extremely sensitive to emfs! And
I am very concerned about my
health & the community.

Please keep the current
waters meters, w/ an OPT-IN
to a non-transmitting digital meter
for people who want more detailed
water usage data.

I've lived in Sebastopol
my whole life: 50 years. Please do not
do this! Sincerely, Cora Rose
