Subject: Removal of parklet
Date: Saturday, November 04, 2023 4:16:08 AM

Don't remove the parklet, expand it! Tell CalTrans to focus on something else - like reducing through traffic or pedestrian improvements.

Tell them to bring back the screaming MiMis parklet already.

I can't believe this, damn bureaucrats always find a way to kill joy. Push back hard! Or ignore them!

Gavin
