

PAC STEPPING DOWN STATEMENT

I am stepping down today as your PAC Chairperson. I have accomplished the goals I had ^{about 2 yrs ago} at the outset of this position, and now want to see someone new leading the PAC as it goes forward.

I thank past and present Committee members, City staff and Council members, and the wider community for their active support of Art in Public Places. Thank you each for your ardent service, and for the enthusiasm, respect, courtesy, and recognition you give your fellow members on this team.

I wish each member the fulfillment, of at least one of your dearest dream projects for Public Arts in Sebastopol.

Although traditionally the Vice-Chair is nominated to fill a vacant Chair position, our excellent Vice-Chair does not wish to change his position (correct Jeff?)— I therefore now Nominate Robert Brent for PAC Chair. Thank you.
