## 1. Thoughts on Bruce Johnson's proposed sculpture "Koan"?

While appropriate for a woodsy walk way, I think Koan might get lost into The back drop.

## 2. Thoughts on Diego Harris' proposed sculpture?

Striking and dramatic, both bench and sculpture, would mark an entrance to our town in a unique way. And the shadows extend the visual statements.

## 3. Thoughts on Michael Per Erik Lindell's proposed sculpture?

Very pleasing from all angles. Mimics our Sonoma rolling hills.

1. Thoughts on Bruce Johnson's proposed sculpture "Koan"?

A photograph of a sculpture titled "Koan" by Bruce Johnson. It is a dark, abstract sculpture made of wood and metal, featuring a large, curved, and somewhat chaotic form. The sculpture is set against a plain white background.

2. Thoughts on Diego Harris' proposed sculpture?

A photograph of a sculpture by Diego Harris. It is a dark, abstract sculpture with a central vertical element and several curved, spiral-like forms extending from it. The sculpture is set outdoors on a paved surface.

3. Thoughts on Michael Per Erik Lindell's proposed sculpture?

A photograph of a sculpture by Michael Per Erik Lindell. It is a tall, abstract sculpture made of dark, curved metal plates, forming a vertical, somewhat hourglass-like shape. The sculpture is set outdoors on a circular base.

## 1. Thoughts on Bruce Johnson's proposed sculpture "Koan"?

IT WOULD BE A GOOD CHOICE FOR THE LOCATION. BUT I WAS HOPING IT WOULD BE LIKE, BIG AND MASSIVE LIKE HIS OTHERS, AS THAT SITE COULD USE A HEFTY, SOLID PIECE TO HOLD ITS OWN AGAINST THE NATURAL ELEMENTS. ALSO THE STAND OF CEMENT DOES NOT ENHANCE THE PIECE, IT ACTUALLY WORKS AGAINST IT.

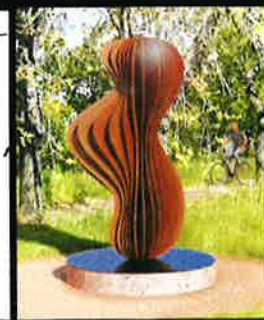

## 2. Thoughts on Diego Harris' proposed sculpture?

I LIKE HOW LARGE IT IS. BUT THE CONCEPT SHOWN DID NOT MATCH THE SCULPTURE. HE HAD MADE OTHER BENCHES THAT MATCHED THE TWIRLY SWIRLS. THE ONE PROPOSED IS TOO "STEAMPUNK" AND INCONGRUOUS TO THE SITE & PROPOSED SCULPTURE.

## 3. Thoughts on Michael Per Erik Lindell's proposed sculpture?

I WISH IT WAS HORIZONTAL TO REFLECT THE TOPOGRAPHY SUGGESTED BY THE ARTIST. IT FEELS TOO "BOULD-LIKE" AND IS TOO SMALL FOR THE SITE AND THE NATURAL LANDSCAPE.

1. Thoughts on Bruce Johnson's proposed sculpture "Koan"?

fits the setting well because it resembles a log. this resemblance balances the abstract composition

2. Thoughts on Diego Harris' proposed sculpture?

seems rather sterile for the site. Among the real trees, it would seem almost a mockery of a tree.

3. Thoughts on Michael Per Erik Lindell's proposed sculpture?

too abstract and distracting for the location

## 1. Thoughts on Bruce Johnson's proposed sculpture "Koan"?

(Need to excuse myself on this one)

## 2. Thoughts on Diego Harris' proposed sculpture?

Not thought provoking enough for this town but well executed. Too cliché and storytelling of a piece... "Tree of Life" etc.

## 3. Thoughts on Michael Per Erik Lindell's proposed sculpture?

would be great for Ines Park setting. It would look different in different light. Best selection Asute.

1. Thoughts on Bruce Johnson's proposed sculpture "Koan"?

This is us and feels like a natural fit for a natural location. It's amazingly appropriate from materials to feeling

2. Thoughts on Diego Harris' proposed sculpture?

Fun - but kind of mass produced - doesn't speak to the wildness of the location.

3. Thoughts on Michael Per Erik Lindell's proposed sculpture?

Does zip for me: belongs in downtown of a city

They are all fabulous but this sculpture seems like a good fit for this location, it is evocative of 'motion' which relates to the cyclers + the people in motion on the path.
