City Council Members,

I am writing to ask you to please reconsider your defunding the senior center! The center offers services that you can't get anywhere else. Seniors depend on it for many reasons- support groups, inexpensive meals, physical activities and support for caregivers are a few. This society turns its back to us older generation too often, let's not let Sebastopol be that kind of place. We're better than that!

Thank you,

Barbara Youngblood
