Dear Folks,

Needless to say, but I will say it, elders are becoming more and more invisible...not only through this electronic age, but through the lack of respect by the culture itself. Not funding a vital resource for our elders is another symbol of our disappearance.

My husband takes a Tai Chi class. He is 84 years old and NEEDS the support to practice balance. If any of you have elders in your family you may know the consequences of a fall.

Kindly fund the Senior Center. Not only for us now but for your own future.
Thank You! Corlene Van Sluizer
