To whom it may concern:

My name is Lucem Angevin, I reside in Sonoma County, Santa Rosa, California. I am formally alerting this city Council, that I am deeply concerned that there has been lack of effort to demand this city submits a resolution for cease-fire and Gaza.

178 days of genocide, are not acceptable. I do not consent to my tax dollars, subsidizing the harm of innocent civilians on mass, and I demand that this city recognize my voice in this matter.

I am deeply disappointed with Sonoma County.
