If you care about the Palestinians you should REJECT the ceasefire resolution And condemn Hamas who has brought devastation on the Palestinians as well as stolen their money, food, water electricity, fuel and used them as human shields. They vow to continue their fight and ensuing carnage until Israel is destroyed, which will only bring more devastation to the Palestinians. Remember, it is in their charter. So if you call for Hamas to lay down their weapons and release all hostages, there will be a true ceasefire and the Palestinians will be able to develop a prosperous and peaceful home. You say you want peace then be brave and call for actions that will bring about a lasting peace, not a symbolic short term pause until Hamas resumes its murderous atrocities and destruction of Palestinian lives.
