Subject: ceasefire resolution

Dear Sebastopol City Council,

I currently live in Forestville but work in Sebastopol and spend most of my time there nannying for a toddler and enjoying the sweet community experience of the parks and cafes. I've also lived in West County for 8 years, most of which in Sebastopol.

I know how important Peacetown is to the long time residents of Sebastopol, as it is to me. I urge you to let this value lead you by keeping the Ceasefire Resolution on the agenda and passing it to send a message of peace to support all of the citizens of Palestine and Israel suffering as a result of a war with no end in sight. Violence will not keep anyone safe. Take a stand for the peace you hold so dear.

Thank you,
Lilah Gliksohn
