Hello,

I am emailing in support of a ceasefire resolution per the Sebastopol City Council. Too much blood has been shed and we need to show our support in ending the genocide being committed against the Palestinian people. As a resident of Sebastopol I implore you to please support an immediate ceasefire resolution and show that our community values human life and opposes mass murder and genocide. My address is [REDACTED], Sebastopol CA 96472.

Thank you,  
Monique Garrett
