Subject: City Council Meeting - Zoom Bombing
Date: Sunday, March 31, 2024 4:36:25 PM

Diana & Council,

I would suggest a 60 day "trial" of blocking zoom comments. After that, if problems recur, discontinue zoom comments. I find the ability to attend - and observe - City Council meetings or even to set my computer up to record if I am otherwise busy is very important. It is difficult for me to attend in person. I can read through the agenda and, if I wish, send emails to you.

Regards,
Tom Boag
