Subject: Eliminating City Council Zoom option
Date: Tuesday, April 2, 2024 11:16:52 AM

Hello there

I Zoomed into your last City Council meeting a few weeks ago and I was horrified at all the hate speech that was spouted. I will not be Zooming into your meetings again, as it was awful to be subjected to that level of racism and homophobia.

I vehemently urge you to do away with your Zoom option and make your meetings in person. I am happy to show up in person when I can, but I will never again Zoom into your meetings.

Thank you.

Best,
Claire
