Hi Council Members - - I am an 85 year old senior member of the community, having been born and raised in the Sebastopol area. I am not a member of our local Senior Center nor have I ever had need of their services, but I am very aware of the good work they do. I have been a contributor to this organization for a number of years and I hope the City of Sebastopol will continue to support them as well. The day may come when each of us may be in need their services.
