**Subject:** In support of the cease fire resolution  
**Date:** Thursday, March 28, 2024 10:21:01 PM

---

Esteemed council members,

I am a Jewish resident of Sebastopol since 1999.

Please put the resolution back on the agenda and pass it

Even though it doesn't name Hamas as a terrorist group and call for its elimination, I think this resolution still should be heard and passed

Thanks

Ben Lev
