Please support the community center
Thursday, March 14, 2024 9:31:28 PM

It would be devastating if we lost our community center! I have taken classes and attended music concerts there since the 90s and feel it's such an important part of Sebastopol. We love all our teachers, all the art and music and various other classes that come out of the SCC. Please help keep it alive.
Thank you!
