Date: Wednesday, March 13, 2024 10:54:03 AM

Good morning,

Myra name is SJ. I am a long time local resident of Sebastopol. I am requesting that a resolution for a ceasefire be out in the agenda for Sebastopol city council immediately as this is an extremely time sensitive issue. I have a P.O. Box at the post office. and live down town on Harrison.

Warmly,

SJ
