Subject: Senior Center is vital
Date: Thursday, March 7, 2024 12:01:01 PM

When I moved to Sonoma County in 2022, the Sebastopol Senior Center was one of the first resources I tapped into. As I continually adjust and find my way in this beautiful area, the SSC remains at the top of my list of valuable resources!

I recognize you must make difficult choices, and that resources are not infinite. Please continue to fund *services that work well* in protecting vulnerable people!

Sincerely,
Eve Harris
