Dear Sebastopol City council members,

I am writing to you in support of the Sebastopol Senior Center. I serve on the Falls Prevention /Health committee. I have volunteered for several fall prevention assessment events, which our seniors have appreciated. My husband is a volunteer driver for the Center. We value the many services offered by the Senior Center. I think we are very fortunate to have such an active Senior Center. Sebastopol as I'm sure you know well has a significant senior population, so these services are very relevant to our community. I understand that you have severe budget limitations this year. I just hope that you can prioritize some funding for the Senior Center. I don't envy your situation but do hope that you are able to provide some funding to the Senior Center this year. Thank you for your service to our community. Best regards Sandra DeBella Bodley
