Subject: ceasefire resolution please!
Date: Wednesday, March 13, 2024 1:20:45 PM

Hi Council,

I am asking you to support a ceasefire in Gaza. Please put it on the agenda and pass it. I think that the more we can do to stop the massacre there is essential.

We have to get Israel to stop, we have to stop sending arms to them, and the world has to come up with a better solution to keep everyone safe.

Thanks!

Margaret Howe
