support ceasefire resolution

Esteemed City Council Members,

My name is Gigi and I am a **Jewish, lifelong Sebastopol resident and voter**. I am emailing in support of the proposed ceasefire resolution, and implore you to agendaize it and vote **YES!** This resolution is fair and balanced. Too many innocent civilians have been killed and we need to take action now. These human rights violations wouldn't be happening if it weren't for the United States continued vetoing in the UN Security Council and our unique indulgent support of Israel- financially, militarily and politically.

Thank you,

Gigi S.
