Meeting Process

The City of Sebastopol wishes to foster a constructive, respectful, and open process through its meeting procedures. Members of the public have the right to speak on all public hearings under discussion by the Design Review Board including consent calendar items, after being properly recognized by the Chairperson. The Board requests that members of the public refrain from expressions of approval or disapproval (clapping, booing, hissing) of statements of other participants, which discourages the expression of a range of viewpoints, as well as lengthening meetings. The following is the hearing process:

1. The Chairperson opens public hearing.
2. Presentation of Staff Report from the Planning Department.
3. Board Questions of Staff.
4. Presentation by the Project Applicant, Questions of Applicant from the Board. Applicant presentations should generally be limited to approximately 10 minutes or less.
5. Comments from members of the public. Comments should be limited to 3 minutes or less.
6. The Chairperson may request that the applicant or staff respond to specific issues raised in the public comment.
7. The Chairperson closes the public hearing, but reserves the right to re-open the public hearing later that evening.
8. The Design Review Board deliberates on the project. Board members discuss the project; applicant or public comment is not permissible unless allowed by the Board.
9. The Chairperson may re-open the public hearing to give the public or applicant the right to comment on the Design Review Board deliberation or bring forth new information to the Board.
10. The Design Review Board takes action on the project by making one or more motions to approve, condition, deny, or continue (schedule further consideration for a future meeting) the matter. Appeals may be filed of official actions upon filing of an appeal form and payment of the applicable appeal fee. Such appeals, including the appeal fee, must be filed within 7 calendar days of the action. Appeals will be heard by the City Council.

Action by the Design Review Board on most matters occurs with the affirmative votes of a majority of members present.
