CITY OF SEBASTOPOL CITY COUNCIL

AGENDA ITEM REPORT FOR MEETING OF: May 6, 2025

To: Honorable Mayor and City Councilmembers

From: Agenda Review Committee

Responsible Department: Acting City Manger/Assistant City Manager/City Clerk

Subject: Consideration of City Council Summer Recess

RECOMMENDATION:

That the City Council consider approval of a summer recess and authorize the cancellation of its July 15th 2025 and August 5th 2025 Regular Meetings, and Schedule a regular meeting for August 19th 2025.

SUMMARY:

The City Council, which regularly meets the first and third Tuesday of each month, has, for many years, cancelled one of the two Council meetings in August to allow staff and Council to schedule summer vacations as well as getting caught up with end of year fiscal reporting. Currently, the August 19, 2025 City Council was approved by the City Council earlier in the year for cancellation.

BACKGROUND/DISCUSSION:

It has been requested that due to the volume of workload and number of meetings held this year, and the upcoming items that will be completed by July 2025, that the City Council consider what other cities have similarly done and authorize a summer recess for two City Council meetings as suggested below:

Cancellation of July 15th 2025 Cancellation of August 5th 2025 Schedule August 19th 2025 Regular City Council Meeting

The primary concern when cancelling City Council meetings is the impact it has on future meeting agendas. Planning for cancellations early allows staff to mitigate this impact and provides notice to the public in advance. City staff and the Agenda Review Committee reviewed the forward agendas and based on the input from department directors on upcoming agenda items, City staff is not aware of any timely issues that would preclude cancelling these dates. It is anticipated that the following major topics will be concluded by July:

- City Budget; anticipated to be completed by end of June or first meeting in July
- Capital Improvement Budget
- Action Plan for Goals
- Fire Reorganization (assuming successful completion of LAFCO process)
- Transition Completion of Garbage Services
- Consolidation of City Offices (Building Department to move to City Hall for streamlining of permitting processes and cross training of staff)

The past year has included not only regular City Council meetings, but Council and staff have held Special City Council Meetings (Closed Sessions); Standing Committee Meetings; Ad Hoc Committee Meetings; and Town Halls.

Convening During Recess

Cancellation of these regular meetings would not preclude the Mayor from calling a special or emergency meeting on any given date. Special meetings may be called with a minimum of 24 hours' notice. Emergency meetings may be called on shorter notice if a documented emergency exists which requires immediate City Council action.

STAFF ANALYSIS:

City staff has reached out to local Sonoma County cities as well as posted the question to other cities in the State of California and received the following information as attached.

In summary:

- Of the 33 California cities that responded, 15 cities go dark (one month with no meetings).
- Of the 8 Sonoma County cities, 1 city goes dark (one month with no meetings)
- Of the 8 Sonoma County cities, 5 cities cancel one meeting either during July or August

PUBLIC COMMENT:

As of the writing of this staff report, the City has not received any public comment. However, if staff receives public comment from interested parties following the publication and distribution of this staff report such comments will be provided to the City Council as supplemental materials before or at the meeting.

COMMUNITY OUTREACH:

This item has been noticed in accordance with the Ralph M. Brown Act and was available for public viewing and review at least 72 hours prior to the scheduled meeting date. The City has also used social media to promote and advertise the City Council Meeting Agenda Items. The City will provide the appropriate legal notification of changes.

FISCAL IMPACT: Cancellation of a regularly scheduled Council meeting reduces the cost of staff's time in Agenda preparation and the cost of copying, uploading to the City website, and distribution of the Agenda. There are also savings from IT (audio/visual) in the estimated amount of \$2,850 as well as savings in costs for meetings requiring consultants time for agenda items.

RESTATED RECOMMENDATION:

That the City Council consider approval of declaring a summer recess and authorize the cancellation of its July 15th 2025 and August 5th 2025 Regular Meetings, and Schedule the regular meeting for August 19th 2025.

OPTIONS:

That the City Council

- 1. Deny the request and maintain the approved cancellation of the August 19th City Council Meeting
- 2. Provide direction to staff for consideration of other dates for a summer recess
