From: Police Chief McDonagh
Responsible Department: Police

=====

RECOMMENDATION:

That the City Council approve Waiving of Second Reading and Adoption of Ordinance: Ordinance 1158 amending the Sebastopol Municipal Code – Reassignment of Director of Emergency Services from Fire Chief to Police Chief

EXECUTIVE SUMMARY:

This agenda item recommends a revision to the Sebastopol Municipal Code to reflect current operational realities in the City's emergency services structure. Specifically, the amendment designates the Police Chief as the City's Director of Emergency Services, replacing the Fire Chief—a role that is now functionally obsolete following the merger of the City's Fire Department with Gold Ridge Fire Protection District. This role was informally transferred when Gold Ridge contracted with the City for fire services.

PROCESS OF AGENDA ITEM:

1. If item remains on consent, no presentation of item is required. Item would be approved as a consent calendar item.
2. If item is removed from the consent calendar; item would be placed at the end of the regular agenda items for discussion following the process below:
 - a. Presentation of agenda item by Police Chief
 - b. Questions and discussion from Councilmembers
 - c. Public comment period
 - d. Council deliberation and motion

BACKGROUND:

Under the existing municipal code, the Fire Chief is designated as the Director of Emergency Services. This designation dates back to a time when the City operated its own City volunteer fire department. Since the transition to contracting fire services with Gold Ridge Fire Protection District, the City has no longer had a full-time, in-house Fire Chief. At that time, the position was informally transferred to the Police Chief who is a full-time City department director with the capacity and infrastructure to manage citywide emergency planning, coordination, and response. This amendment would align the municipal code with current practice and clarify the chain of command during emergencies.

DISCUSSION:

The Council approved for first reading and introduction of ordinance at their August 5m 2025 City Council meeting. The amendment provides administrative clarity and enhances the City's ability to respond effectively to emergencies by ensuring that the designated Director of Emergency Services is a full-time department head who will coordinate with the Sonoma County Office of Emergency Management and local and regional partners in emergency preparedness and response, making this a logical and seamless transition.

The Ordinance is before the City Council tonight for adoption.

STAFF (RESPONSIBLE DEPARTMENT) ANALYSIS:

The City Manager's Office and Police Chief, in consultation with the City Attorney, have reviewed the proposed ordinance amendment and determined that the change is both appropriate and necessary to reflect the City's current organizational structure. The Police Chief will be responsible for the leadership and operational readiness required to oversee emergency services.

This amendment will also assist with compliance in federal and state emergency management frameworks that require a clear and locally designated Director of Emergency Services.
