=====

RECOMMENDATIONS:

That the City Council receive the Incoming Mayor's Request for Committee Assignments Submittals from Councilmembers for City Council Committee Assignments and Liaisons.

EXECUTIVE SUMMARY:

Each year, the City Council makes appointments to the various committees listed on the attached roster. There are four different types of committee that include: 1) City membership in a separate agency where the representative is a member of the governing board; 2) the City representative is a member of an advisory committee that makes recommendations to another public agency; 3) a Council member or Staff member is appointed as a liaison to a special committee; 4) standing committees of the City; and 5) other miscellaneous committees.

Each year, the City Council and City staff review the current assignments.

BACKGROUND:

City staff will provide the City Council at a publicly noticed meeting a list of Committees and the City Council shall review each committee in open session and if a Councilmember is interested shall request appointment to the committee. Councilmembers may make short statements advocating their reasons at this meeting.

Councilmembers may also fill out and submit the City Council Summary Form for Committee Requests as well as an Application for each Committee the Councilmember is interested in. The City Clerk will attach any completed Summary Forms and Applications received to the Agenda Report for Discussion at the City Council meeting. Copies of the Summary Form and Application Form are attached as exhibits. Councilmembers are encouraged to complete Summary Forms and Applications, but they are not required. As noted above, Councilmembers may make short statements advocating their reasons at the Council meeting where Committee assignments are discussed.

After review and discussion of all committees in the publicly noticed Council Meeting, scheduled for January 6, 2026, the Mayor will take all requests into consideration and return to a future City Council meeting but as soon as possible after receipt of committee requests with recommendations for committee assignments. The Mayor shall provide explanations for appointments, as requested by councilmembers at that meeting. At that meeting,

City of Sebastopol

the City Council shall ratify the appointments, or modify as the City Council deems appropriate. The goal of committee appointments is to equitably distribute appointments among all councilmembers, while also taking into consideration the prior experience or expertise of specific councilmembers for specific appointments.

STAFF ANALYSIS:

The City Manager shall make recommendations for City staff to serve on, or advise, Committees. The City Council can ratify the recommendations for City staff assignments, or request the City Manager consider alternative staff assignments.
