Subject: ER Preparedness

Good Day

My name is Rod Helvey and I am currently the Hub leader for the Sebastopol Neighborhood

Communications Unit. I'm privileged to be a contributor to the ongoing effort to develop a radio communication network to aid neighbors helping neighbors when all standard means are unavailable.

I enthusiastically support all efforts to bring CERT and FRS/GMRS/HAM radio networks into Sebastopol's ER toolbox.

Respectfully

Rod Helvey

GMRS call sign WRKA419
