Hi Mayor Zollman and Sebastopol City Council: I am an associate of Beth Gallock and her husband Brad Engstrand. They are residents of the Woodmark apartments and are facing eminent eviction. Brad is suffering with dementia and they are both in dire need of maintaining their home there. I've attached my letter in support of them and the other Woodmark tenants who are being victimized by the developer and apartment management.

Please do what you can to support and assist them in remaining in their home. Thank you for your consideration. Best, Susan Kay Gilbert, M.A. Edu, Facilitator, Dementia Caregivers Support Group
