Subject: Registering support to keep Recology as our solid waste service provider.
Date: Friday, January 3, 2025 1:31:50 PM

Dear Council Members

My Name is Steve Markus. I am a resident of Sebastopol at 8241 Valley View Drive and a member of the Board of Directors for the Sebastopol Center for the Arts.

I respectfully request that Sebastopol keep recology as its service provider. Their facilities are up to date, rates are fair, and they are a proven supporter in the community.

Thanks for your consideration,

Steve Markus
