

CITY OF SEBASTOPOL CITY COUNCIL

AGENDA ITEM REPORT FOR MEETING OF: May 5, 2026

=====

To: Honorable Mayor and City Councilmembers
From: Deborah Muchmore – Human Resources Advisor
Responsible Department: Interim City Manager
Subject: Approve a Resolution Amending the Resolution of Compensation and Benefits for the Unrepresented Employee Groups, establishing a new term, and providing a 3% Cost of Living increase.

=====

RECOMMENDATION(S):

Adopt a Resolution Approving the City’s Resolution of Compensation and Benefits for the Unrepresented Employee Groups, effective July 1, 2026, to June 30, 2027, and providing a 3% Cost of Living Adjustment (COLA) on base salary, for the employees covered by the Resolution, effective July 1, 2026.

PROCESS OF AGENDA ITEM:

- a. Introduction of agenda item by Human Resources Consultant Deborah Muchmore
- b. Questions and discussion from Councilmembers
- c. Open for Public Comment
- d. Council Discussion
- e. Motion/Action on Item

EXECUTIVE SUMMARY:

Approval of this item amends the Compensation and Benefits Plan for unrepresented employees, which is set to expire on June 30th, establishes the new term of July 1, 2026, to June 30, 2027, and provides a 3% COLA, on base salary, to the positions of Administrative Services Director, Accountant/Analyst, Police Lieutenant, and Public Works Operations Supervisor, effective July 1, 2026.

BACKGROUND:

Resolution No. 6677-2205, establishing compensation and benefits for the City’s unrepresented management and mid-management employees, was approved by the City Council on June 17, 2025, and is set to expire on June 30, 2026. Since its adoption, the City has successfully negotiated agreements with its represented labor organizations, including the Sebastopol Police Officers Association (SPOA) and the Service Employees International Union (SEIU), which include equity adjustments and cost-of-living increases as well as other benefits specific to each group.

DISCUSSION:

Resolution No. 6677-2205 is set to expire on June 30, 2026. It is prudent to adopt a successor resolution to ensure continuity and consistency in benefits for the City’s miscellaneous, unrepresented employees. Cost-of-living adjustments (COLAs) help maintain competitiveness in the regional labor market and promote equity with the most recent increases to SPOA and SEIU. These adjustments support the City’s ability to attract and retain qualified employees while assisting staff in managing rising living costs.

STAFF ANALYSIS:

The City recently approved 3% cost-of-living adjustments (COLAs) for its represented employee groups (SPOA and SEIU). To promote internal equity and maintain competitiveness in the regional labor market, staff recommends providing a comparable 3% COLA for unrepresented employee groups. Maintaining competitive compensation also supports workforce stability, reduces turnover costs, and ensures continuity in service delivery to the community. Funding for the proposed 3% COLA is included in the City’s proposed FY 2026–27 budget.

Resolution Number 6261 of the City of Sebastopol updates the terms and conditions of the City's "Employee Medical After Retirement" program benefit to bring it into compliance with the Anthem Blue Cross and Kaiser medical plans, has been reviewed and approved by the members of Unrepresented.

SECTION V -INSURANCE PROVISION

V.1 Health Insurance:

The City Kaiser HMO plan will be provided without premium cost to the employee, for full-time regular employees and any eligible dependents.

The REMIF Anthem Blue Cross Health Plan will continue to be an option for full-time regular employees and any eligible dependents. Any premium difference between the Kaiser HMO Plan and the Blue Shield plan shall be paid by the employee.

Part-time employees will pay a share of the City’s cost of premium that is equal to the proportional difference between the part-time employee’s regular schedule and that of a full-time employee. For instance, a part-time employee working 90% of the hours regularly scheduled for a full-time employee will pay 10% of the City’s portion of premium cost (the cost of the City Kaiser HMO plan premium).

V.2 Health Insurance in Lieu Benefit:

The payment of health in lieu program is to allow employees who have double health insurance coverage to drop the City's insurance and receive a payment in lieu. For employees who qualify for and participate in the payment in lieu health program, the schedule for the Health Insurance In-Lieu Benefit are shown below:

Coverage	In Lieu & Salary Benefit
Full Family	20% of City “family” medical contribution

Employee + 1	20% of City “Employee +1” medical contribution
Employee only	20% of City “Employee only” medical contribution

An employee who has chosen to receive the aforementioned monthly stipend in lieu of receiving health insurance coverage may elect at the annual open enrollment period in June, to again be covered under the City-sponsored health insurance plan. No employee will be entitled to receive both health insurance coverage from the City and the “in lieu” payment.

In lieu payments for part-time employees will be prorated for the proportional difference between the part-time employee’s regular schedule and that of a full-time employee. For instance, a part-time employee working 90% of the hours regularly scheduled for a full-time employee will receive 90% of the current in lieu benefit of a full-time employee

V.3 Health Care Payment Calculation for Part-Time Employees:

For all health benefits listed below, where the City pays the full premium for employees, part-time employees who are benefited will be required to pay a proportion equal to the proportional difference between the part-time employee’s regular schedule and that of a full-time employee. For example, an employee who works 90% of the hours a full-time employee regularly works will pay 10% of the health benefit premium amount paid by the City.

V.4 Dental Benefit:

The City will provide dental insurance at no cost to the employee for full-time regular employees and any eligible dependents.

V.5 Vision Care:

The City will provide vision insurance at no cost to the employee for full-time regular employees and any eligible dependents.

V.6 Long Term Disability Benefit:

The parties agree that the City will add 100% of the LTD premium to the employee's monthly pay and deduct the same amount for payment of the premium. LTD benefit payments will then become nontaxable to the employee if the benefit is activated during a period of non-industrial disability.

VII. OTHER COMPENSATION AND BENEFIT

VII.1 Longevity:

Regular full-time employees are entitled to the following longevity incentives:

- 2% on base hourly rate at the conclusion of 5 years of service
- 2% additional on base hourly rate (total 4%) at the conclusion of 10 years of service
- 2% additional on base hourly rate (total 6%) at the conclusion of 15 years of service

- 2% additional on base hourly rate (total 8%) at the conclusion of 20 years of service
- 2% additional on base hourly rate (total 10%) at the conclusion of 25 years of service

Longevity incentives are cumulative, not to exceed a maximum of 10% .Part-time prior service may be counted on a pro-rata basis.

VII.2 Vacation Accrual Limits:

- A. Employee maximum vacation accrual is three times their annual accrual rate.
- B. Vacation accrual rates are outlined in the City’s Personnel Rules.

VII.3 Cash in lieu of Vacation Pay:

City employees may elect cash in lieu of vacation leave accrual subject to the following limitations:

- 1) In compliance with IRS regulations, employees must make an **irrevocable** election to receive a cash payment in lieu of vacation leave hours prior to accruing those hours.
- 2) Employees must submit an irrevocable election form to the Finance Department no later than December 31 of the year prior to the year in which the vacation leave will be accrued and paid out.
- 3) Employees must have a minimum of 100 hours of accrued vacation on the books as of December 31st of the calendar year prior to the distribution in order to be eligible to request a cash-in-lieu payment.
- 4) Employees may request a cash in lieu payment for up to 100 hours of vacation in any calendar year.

VII.4 Vacation In Lieu Payment

Employees shall designate the payroll date on which they wish to receive the cash payment, at the time of the request. The City finance department will cash out the requested hours no sooner than the pay period following the accrual of the entire amount of requested hours sold. For example, a full-time employee accruing eighty (80) hours of vacation leave per year accrues at a rate of 3.0769 hours per pay period. It will take this employee seven (7) pay periods to accrue twenty (20) hours sought to be cashed out. Therefore, the employee could not receive a cash payment for twenty (20) hours until the eighth pay period of the year. The amount of vacation cash-out is limited to the amount of vacation leave accrued during the calendar year.

VII.5 Administrative Leave

To compensate overtime exempt management employees for the added hours they work, management employees will be granted a total of 100 hours Administrative Leave with pay during each fiscal year (50 hours accrued on July 1st and 50 hours accrued on January 1st.) Employees in this unit may use this time to take paid leave from work. In the first full pay period of June of each fiscal year, the City will pay out the balance in each employee’s Administrative Leave accrual bank or 40 hours, whichever is smaller. Any balance left in the bank will not carry over from year to year.

VII.6 Sick Leave:

Sick leave accrual rules are outlined in the City’s Personnel Rules.

VII.8 Holidays:

The City's observed holidays are outlined in the City's Personnel Rules.

VII.9 Workers Compensation:

Effective July 1, 2004, the provisions of Section 4850 of the California Labor Code shall no longer apply to PERS Miscellaneous employees in this group. CITY agrees to guarantee employees eligible for workers compensation coverage of 80% of their regular salary for one year.

VII.10 Advances in Pay Schedule:

Advancement in pay schedule information can be found in the City's Personnel Rules.

VII.11 Furlough Policy:

Effective July 1, 2004, the Furlough Policy shall apply to employees within the bargaining unit, as per the attached document (Attachment 1).

VII.12 Education Incentive:

A salary increase of one-half range (2.75%) can be earned upon the successful completion of 30 semester units of college level courses related to the employee's current city position. An additional one-half salary range can be earned by the successful completion of an A.A. degree from an accredited college or university. An additional salary range may be earned by the successful completion (G.P.A. of 3.0 or better) of a B.A. degree in a major field of study related to the employee's current city position. Such off the job training programs, to qualify, shall be subject to the advance approval of the department head and City Manager.

FURLOUGH POLICY

I. Purpose:

To define and establish a program and procedure that allows for employees currently employed with the City of Sebastopol to be furloughed from work on an unpaid basis. It is anticipated that such unpaid Furlough time may be necessary due to insufficient funding available to support full time staffing.

II. Policy:

The City of Sebastopol will have the authority to implement this Furlough program when a financial necessity is declared by the City Council. The number of hours when employees may be required to take time off without pay will be determined at the time of implementation, but no more than 40 hours for full-time employees or proportion thereof for part-time employees.

The City will meet and confer with employee bargaining units to discuss the implementation procedure and policy concerns that may arise during those meetings. In the interest of efficiency, the meetings will be initiated 60 days prior to and concluded 30 days before the proposed implementation date.

III. Procedure:

- a) The employee will have the right to return to the same position, subject to the terms and conditions herein.
- b) The reduction in pay for employees shall be prorated among all the pay periods for the full fiscal year or that portion of the fiscal year remaining should the program be implemented mid-year.
- c) Furlough time may be used in conjunction with paid holidays, accumulated vacation, CTO or administrative leave.
- d) Paid leave and Furloughed time taken together in any pay period shall not exceed the total number of the employee's regularly scheduled hours in the pay period.
- e) Credits toward sick leave, vacation and holiday eligibility shall accrue during the furlough period as though the employee were on paid status.
- f) Furlough time shall apply toward time in service for step advancement, completion of probation, and toward seniority for purposes of layoff. Furlough time will not affect an employee's salary anniversary date.'

- g) An employee will continue to receive a full year's PERS service credit.
- h) Other paid leave time may not be used in lieu of Furlough time.
- i) Furlough time shall not be used in conjunction with Worker's Compensation or other leave without pay.
- j) The employee may request that a lump sum deduction be made to their pay for Furlough time in lieu of a prorated reduction of pay subject to approval by the Finance Director.
- k) In the event an employee separates during the Fiscal Year, the Finance Department shall reconcile the number of Furlough hours and the number of Furlough hours which have been taken and shall pay the employee the value of any Furlough hours which have not been taken. Employee will pay to the City, through an adjustment of his/her final paycheck, for any Furlough hours taken which exceed the value of pay reductions to the date of separation.
- l) While an employee is on Furlough Leave, the Department will not utilize temporary employees to backfill the furloughed employee, except with the City Manager's prior approval.
- m) Any dispute between an employee and his or her department head regarding the implementation and application of this policy shall be resolved by the City Manager.
- n) Any dispute not resolvable by the City Manager may be submitted to binding arbitration under the grievance procedure of the MOU.

Adopted by the Sebastopol City Council on August 3, 2004.

C. Health Insurance Plan Requirements for Retirees

- 1. Disqualifying Events Under a City-sponsored Health Plan:

Health Insurance coverage shall continue until a disqualifying event occurs. Disqualifying events shall include:

For Retiree:

3. Non-payment of retiree share of premium to City.

For Spouse or Dependents:

1. Divorce from the retired employee.
2. Dissolution of legally registered and valid domestic partnership from the retired employee.
3. When the retired employee's child turns 26.
4. Non-payment of surviving spouse's share of premium to City.

All qualified dependents who lose coverage on a City-sponsored Health Plan may be eligible for COBRA Health Insurance coverage continuation. A qualified dependent is any family member who was covered on the City health plan at the time of the employee's retirement. All other dependents covered on a City health plan (except for newborns or adopted infants) are non-qualified dependents.

Those individuals covered under a City-sponsored group health plan who are cancelled due to non-payment of premium, will not be eligible for COBRA Health Insurance continuation.

Whenever a qualifying or disqualifying event occurs, health insurance coverage and the City contribution towards premium shall be adjusted and or eliminated based on the current status of the retired employee. City contribution towards health insurance premium shall not be increased if the retired employee adds a family member after the effective date of retirement.

2. Notification of Dependent Changes or a Qualifying Event

Retirees must notify the City of all qualifying events and dependent changes within 60 days. If that requirement is not met, COBRA continuation coverage cannot be provided to a dependent who is ineligible for coverage. In the event the retiree neglects to notify the City of a dependent loss, the retiree will be liable to reimburse the City for the full amount of the health insurance premium paid, and any future costs, for the expense of covering an ineligible dependent on a City Health Plan.

3. Insurance Coverage for Surviving Family Members

Enrolled qualified dependents may continue health insurance coverage in both plans, after the retired employee's death. This continuation will end the date the surviving spouse remarries. A new dependent acquired during this continuation is not eligible to be enrolled as a family member. In the event of loss of coverage, the surviving family members who were previously covered under a City Health Plan, will be offered COBRA for up to 36 months, at their expense, if they are qualified dependents.

4. COBRA Continuation

Generally, COBRA Health Insurance continuation is offered to retirees and qualified dependents when a loss of coverage occurs, due to a qualifying event for 18, 29, or 36 months, at their cost plus 2% administrative fee, based on a qualifying event. Non-payment of premium is not considered a qualifying event, and a retiree and their dependent(s) dropped from a City-sponsored group health plan for non-payment of premium, is not eligible for, and will not be offered COBRA, as defined in the Health Insurance Plan Agreements. Non-qualified dependents are only entitled to COBRA if the Subscriber is entitled to COBRA. Please refer to your COBRA General Notice for additional information.

5. Re-Enrollment

Retired employees covered under a City-sponsored group health plan may change City Health Insurance plans once per year during open enrollment which occurs in June, for coverage effective July. Once a retired employee voluntarily drops a City health insurance plan or is dropped because of non-payment of employee share of premium, or COBRA expiration, they will not be able to re-enroll in a City-sponsored group health plan in the future, as defined in the Health Insurance Policy Agreements.

6. Private Plan Reimbursement

If a retiree with 10 or more years of service, is not covered under a City-sponsored group health plan, they are entitled to receive the city-paid health insurance premium contribution, if they submit receipts to the City for reimbursement, in a timely manner. The City will reimburse up to the defined benefit level in Sections 1 or 2, once per calendar quarter, after receipts are submitted. Only requests submitted within 6 months of service will be considered for reimbursement. Reimbursement request reminder notices will not be generated by the City.

7. Positions Ineligible for Coverage

Certain positions are not eligible for medical benefit after retirement. Those positions include: Reserve Police Officers, Volunteer Firefighters, Crossing Guards, Per Diem Dispatchers, Temporary positions, and all other non-salary part-time positions. Any time served in these positions will not count towards the 10 year minimum full-time service to be eligible for health insurance coverage after retirement.

8. Insurance Plan Limitations

The City will provide retirees health insurance coverage in accordance with each insurance group plan agreement. At no point will the City ever provide a benefit greater than what is defined in any of the insurance group plan agreements, or the Federal COBRA law. If a change occurs to the group plan agreement, or Federal COBRA law, those changes will take precedence over language defined in this resolution.

BE IT ALSO RESOLVED that this Resolution supersedes all previous resolutions defining medical retirement benefits.

ADOPTED BY CITY COUNCIL ON the 18th day of November, 2008.

INSURANCE COVERAGES

Employees With 10 Years or More of Service Hired On or After July 1, 2007

For those employees in the SEIU or SPOA employee groups hired on or after July 1, 2007, the City will contribute the same amount as defined in Section 2 above; if the employee voluntarily elects to participate in the Medical After Retirement Plan by contributing 1% of their base salary, up to \$60 per month; to be matched by an equal city contribution. This benefit was eliminated for employees hired after July 1, 2011. These funds will be deposited into a separate City Retiree Health Care Trust Fund (Account # 075-2550). Employees may only elect to participate in this option within 60 days of their hire date.

Once elected, the employee may cancel their participation in this program, and may request a refund of 85% of their to date contributions. Once an employee terminates their membership in this program, they will not be able to enroll again, in the future. An employee who leaves employment with the City prior to retirement is eligible for a 90% reimbursement of their contributions.

For those employees in the Unrepresented employee group hired after February 1, 2009 who have elected this benefit, their monthly contributions of 1% base salary up to a maximum of \$60/month along with the City's equal matching contribution, will transfer into their ICMA RHS Retirement Health Savings plan once per month. Once employees are enrolled in the ICMA RHS plan, they cannot cancel their participation.

All other provisions mentioned in Section 2 above will apply.

BE IT ALSO RESOLVED that this Resolution supersedes all previous resolutions defining medical retirement benefits.
