Subject: A&M BBQ

I am writing to you as a resident of Sebastopol at [REDACTED]. I support the A&M BBQ restaurant. I believe they will work in collaboration with their neighbors re: the smoke produced from cooking. They are a locally owned small business, not a chain.

When my husband was nearing his death last month, one of the comforts he enjoyed was food from A&M BBQ. A neighbor brought food to us at the hospital, including banana pudding, which he said reminded him of his childhood in North Carolina.

Sincerely,

LEGACY

I have loved and have been loved.

I have tried to be kind. I have received more
kindness
than I earned. My capacity for kindness
increased with age.

Although I do not understand the great
mystery of human life,
I have experienced being part of it.

I tried to use rational thought to choose
actions that are wise, kind, compassionate and
effective.

My wish for all humans: develop your brains
and hearts so they can together help our
wondrous world reach its potential.
Be kind.

Harry Haigler
