Subject: AB 1033

To Whom it May Concern,

I am a downtown Sebastopol resident. I have lived in this area for twenty years, and my children have attended school here.

I am a renter. If my landlords were not so kind as to not raise my rent, I could not afford to live here.

I am a huge proponent of AB 1033. It is so important for our community!!!

Please do not send this. This is part of our duty to our community.

Sincerely,
Alissa Coenen
