Subject: In support of A&M BBQ

Hi there,

I am writing in support of the A&M BBQ team. Myself and my partner are long time supporters of this amazing and unique business. I have followed them on social media almost as long as we've been customers (going almost every Sunday) and the work that they do with their community and the love they have for their trade is unmatched. The entire team welcomes us like family and are nothing but the kindest, warmest group of people who are operating for the love of BBQ! I hope that the Sebastopol community can see what a treasure this business really is and they deserve a space to create their magic.

I know that we will follow them wherever they go, but I hope that they can stay in the community they know, love and serve.

Thank you!
Alyssa DeVincenzi and Cameron Verden
