Subject: No Grocery Outlet

Greetings Sebastopol City Council,

Please do Not approve the license form Grocery Outlet. I live near town and have to deal with the horrible traffic nearly everyday. Adding so much additional traffic will turn downtown into gridlock. It will make things a lot less safe for the people who travel into or though this town. Not just their customers but also all the delivery trucks to supply the store. The added air pollution from all those additional vehicles isn't good for the people who live and work here.

A lot of the people writing in favor of Grocery Outlet do not live here. Easy for them to say "Oh it won't effect the traffic."

Aren't you supposed to be looking out for the people who live here?! Please do so by denying the Grocery Outlet license.

Please add this letter to the agenda for the November 17th meeting.

Sincerely,

Anne Galbraith
