Dear Planning Dept.

I just completed the survey. I want to add that I am Not in favor of any more bike lanes. In fact I'd like to see the one on Petaluma Ave removed. The traffic and parking are Horrible downtown. I believe that the reason more people don't stop and shop or dine is because they can't find a parking place and they just want to get out of the horrible traffic jam.

Until highways 12 and/or 116 are rerouted so they do not go through the middle of town, I will never be in favor of more bike lanes. Bicyclists are in the minority and vehicle drivers are the majority. WHY are the bicyclists getting to push and succeed in getting changes made that so profoundly and negatively affect the majority of people who live and have to pass through this town! It makes no sense and is highly inappropriate.

Sincerely,

Anne Galbraith
