Subject: Support for A&M BBQ

Dear Council Members,

I'm writing to you today in support of A&M BBQ. This company is owned by people who live Here, they are longtime locals, their kids go to our local schools. You/we should support them and not destroy their business. They deserve your support a lot more than Little Ceaser's Pizza!!

You say you support local businesses owned by local people. Please act like that is true.

Please do not allow a few neighbors shut down this business. These NIMBY's need to learn how to close their windows when needed and how to use an air purifier. It's not like they'd have to do this all the time, just when the smokers are being used, which isn't all day.

I had to breath deisel exhaust the whole time Woodmark was being built and the road work for the bike lanes on Bodega Hwy were being built.

Neither I or anybody else expected you to go shut those down because of their effect on the air quality.

Please support this local business.

Sincerely,

Anne Galbraith

Lives in downtown Sebastopol
