Subject: Agenda Item 11 - Strout Street Paving

Hello,

I'm not sure how participation works on zoom, so wanted to be sure my voice is registered regarding the desperate need for repairs on Strout Street. I live on West St. just opposite and can hardly bear to subject my car to traveling the short block. Strout Street must have more potholes than paving left. I don't understand why it's been let go so long?

Please pave Strout Street and make it suitable for travel.

Thank you,

Anne A. Rogers, [REDACTED]
