Subject: Grocery Outlet

Hello, Mary

Could you please share my thoughts with the Sebastopol City Council members as well.

I am in favor of the Grocery Outlet store locating in Sebastopol.

Their offering accessibly priced products would have a positive effect upon shopping choices.

Their products offer alternatives to each and every one of our over priced markets.

Locally owned franchise would help keep our spending close to home.

Please accept my recommendation.

Best to all,
Barbara A Harris
