Subject: A&M BBQ

To the city council members,

I'm writing in support of A&M BBQ. Not only do they bring delicious food to Sebastopol, they have been a supporter of our community. The owner has coached sports, helped seniors, as well as donating food to Sebastopol events. They have also drawn visitors to our town as word of mouth has spread throughout via newspaper articles and food reviews about their exceptional bbq. This is a local business that we should be fully supporting and not drive them away as a result of their success. A few vocal minority voices should not be able to dictate that this business needs to leave their current location. Give Kris the opportunity and community help to find him a new location in our community. He has given so much to Sebastopol and is deserving of the council's and our communities support.

Sincerely,

Becky Talcott
