Dear Council Members,

Please do everything you can to keep this BBQ restaurant in town! Chris has done everything right and should be allowed to continue serving his fantastic food. He gives so much to the community! People who live nearby chose to live in a mixed used area - cars and trucks spewing fumes and noise, loud music from Hopmunk, drunken street people...and I can go on. Where does it stop if you target this one situation? We do not want Sebastopol to be known as a racist town! We need to think of the wider community and what serves the majority of people. Thanks for your thoughtful and fair consideration in this matter.
