Subject: Protect AB 1033

Hi my name is Brooklyn White, I am currently a college student in Oregon but want to move back home to Sebastopol when I complete school. I'm writing because I strive to be a history teacher at Analy. I want to be able to afford housing and live in Sebastopol as I grow old but if you repeal 1033 I won't be able too afford housing in the future. Please protect my rights.
