Subject: in support of A&M BBQ

Dear City Council,

A&M BBQ is a locally and family owned and operated small business that deserves the support of the city and the community.

It would be a shame to see it forced to close. From what I understand they are seeking a better suited location for long term use.

We should support them while they are making this transition. It is an essential part of Sebastopol's history and legacy to support local, family, community.
