Subject: Letter of support

Dear City Council members

Last week I purchased a Mother's Day platter for four members of my family from out of town. The consensus was "the best barbecue they ever had!"

Could have chosen any restaurant in Sonoma County but this was our first choice...to eat at home with local food we loved. Pick up was perfect! They had been sold out all week and I asked if they could mangle one more platter?

Two days before Mother's Day and I got a call back immediately. The boss said OK! My grandson grabbed the leftovers to take back to SF.

If I were you, I would go the extra mile and do all you can to support this quality operation.
