Subject: NO Apple Blossom bike path thru BHO !

This is a very dangerous idea ; the narrow road up the hill thru BHO has buses, no sidewalk for pedestrians (only a rough dirt path - so they often walk in the street). 2 way tight car traffic and a steep down grade which could easily make dangerous high speeds for bikes .

Accidents and injuries for the aged are likely as they try to dodge traffic.

Thanks for your consideration for our safety.

Caverly Whittemore BHO resident
