Subject: Support A&M BBQ!!!

I'm a 35 year resident of Bodega Harbour in Bodega Bay. I come into Sebastopol nearly every day of my life to shop, use services and enjoy community. I find there are some things I must go to Santa Rosa for but whenever possible – I like to keep my money fueled to Sebastopol business people.

A&M is an incredible fairly recent resource to all of us. The food is terrific and healthy, the prices are very reasonable and the people are terrific.

I understand that there can be some issues that need to be resolved, and know they are always looking to find the best way to exist in our community. And they are very committed to us.

Please do everything possible to support their efforts to stay an important part of our community. It's hard enough for a small business to succeed these days. Please keep the demands on them as low as possible. And whatever must be required – please do so in a way that they have an honest chance of complying without putting themselves out of business.

Thank you for all you do to reflect the incredible and unique Spirit of Sebastopol. Nothing like it – anywhere!!!
