Subject: Grocery Outlet

Dear City Council members,

I would like to voice my opposition to allowing Grocery Outlet to open at the former Rite Aid location. We have a number of very good options for buying groceries in our town. It would be awful for parking and traffic to place another large chain store in the middle of town. Safeway and Whole Foods are only a block away from this location. We don't need a third grocery store within two blocks. The whole idea seems absurd to me.

Thank you for your consideration.
