Subject: Public Comment: Proposed Grocery Outlet at the Former Rite Aid Site

Dear City of Sebastopol,

I am writing you to urge that the application for Grocery Outlet to open a branch here in Sebastopol be turned down because there are more than enough grocery stores in town. We all must remember that Sebastopol is a small city that has taken the position that any new big-box stores are not welcome or desired in our community.

Please keep Sebastopol local.

Thank you,

David Warburg
