Subject: help A&M BBQ please

Hello Council Members,

Please let A&M BBQ continue to work on finding a new location with city help, shutting them down just to be strict with rules hurts the business and community in the short term. Take the time to find a solution.

I understand neighbors wanting clean air and peace in their neighborhood, I am very annoyed every time the vineyard blowers go on predawn and wake me up. I don't even like meat, but I see the value in a small business trying to be a part of the community and a good citizen.
