Subject: Public Transit Workshop in Sebastopol on July 23

Hello,

I wanted to let you know that Sonoma County Transit will be hosting a public workshop for our [Strategic Transit Plan](#) in Sebastopol on Thursday, July 23. I'm attaching a flyer with more information. We'd appreciate you spreading the word among your contacts and local residents interested in transit services. There is also an online survey and zoom workshop for those who cannot attend the in-person meeting.

Thank you,
Emily
