Subject: LOW INCOME SENIOR CITIZENS STRONGLY SUPPORT GROCERY OUTLET IN SEBASTOPOL

How exciting to finally be able to walk to a supermarket that has quality and low prices. I often don't get what I want and go without. Having a Grocery Outlet will help most of the senior citizens in our community. I rather see Amazon's Whole Foods and Albertson's Safeway be gone. Both are expensive, have terrible customer service. I personally boycott both. What a dream to have a market with affordable food, good customer service and senior discounts. I recently learned that senior citizens 60 plus make up 33% of the Sebastopol population.
