**Subject:** SENIOR CITIZENS OF SEBASTOPOL ARE BANNING TOGETHER WITH A PETITION FOR A GROCERY OUTLET

Hello Good Morning,

We low income seniors shop at Grocery Outlet in Rohnert Park and Santa Rosa, Costco too. We can't afford not to. We also shop at the local small businesses here. Most of us do not shop at Safeway or Amazon (Whole Foods). I wrote a letter to the editor about this to the Sebastopol Times and the Press Democrat. The Press Democrat is the only one that printed it. Many seniors have been contacting me to get a petition together so we can have one here. Some have said they no longer drive and it is too difficult to get out of town.

Please know that the seniors in our community need a Grocery Outlet here in Sebastopol. Please keep us in mind.

Thank you,

Emily Webster
